### Discover African Market with **MOROCCO FURNITURE FAIR**

Morocco Furniture & Decoration 2019, which offers all kinds of furniture and decoration product groups, is an opportunity door to enter Morocco and European bazaar. Morocco Furniture & Decoration 2019 attracts a great deal of attention with its Professional Visitor Delegation Promotions in America, Europe, Middle East and Far East. Industry professionals will join to hundreds of B2B meetings by matching with exhibitors according to the product groups they are interested in.

With a population of 33 million, Morocco is a dynamic market with a significant growth potential for 2019. The policy of the Moroccan government to encourage foreign companies to invest in Morocco and the ever-increasing privatization are creating the right conditions for the furniture industry to be consoled in this market area. The recent average increase in office furniture imports in Morocco is a strong sign in this sense.

## WHY PARTICIPATE?
